grounds for that Source Club to refuse a Transfer Request for that Player once 24 months has elapsed since the date of the initial refusal of Transfer Request. *[Guidance note: This Section is distinct from the '24-month rule' set out in Section 3.5(c).]*

- (iii) Upon request by its affiliate Controlling Body, a Source Club refusing to Transfer a Player must provide evidence (for example, written documentation acknowledged by both parties) in order to substantiate the refusal within four (4) calendar days of such request. 7. Deregistration

7.1 Disciplinary History

- (a) The Disciplinary History of a Player or Football Official will apply in respect of all Competitions. For the avoidance of doubt, all Players and Football Officials moving from one Club and/or Controlling Body to another do so on the basis that their Disciplinary History will continue to apply and will not be erased or amended.
- (b) During the Transfer process under Section [3.4\(a\)\(ii\)\(B\)](#), the Disciplinary History of a Player will be automatically sent to the Destination Controlling Body via the Competition Management Platform.

- (c) Where a Football Official transfers to or registers with a Controlling Body, the following will apply:
 - (i) the Source Controlling Body (if applicable) will use reasonable endeavours to disclose that Football Official's Disciplinary History to the Destination Controlling Body; and

- (d) Club imposed penalties will not be included on the Disciplinary History of a Person.

7.2 Criteria for Deregistration – Reportable Offences

(a) Suspension threshold

- (i) Subject to Section [7.5\(b\)](#), a Player or Football Official shall be automatically Deregistered and not allowed further registration with any Club or Controlling Body if the Player or Football Official has been suspended for a total of sixteen (16) matches (or greater) as a Player and/or Football Official (including during an AFL/AFLW Competition career, subject to Section [7.2\(c\)](#)) as a result of Reportable Offences (**Reportable Offences Suspension Threshold**).
- (ii) For the avoidance of doubt:
 - (A) a Player or Football Official may apply for re-registration in accordance with Section [7.7](#);
 - (B) the Reportable Offences Suspension Threshold relates to suspensions imposed as a result of Reportable Offences; and
 - (C) any suspension or sanction imposed on a Player or Football Official in relation to a Policy Breach will not count in relation to the Reportable Offences Suspension Threshold.

(b) Suspensions attained once 16 years or older apply

Only suspensions relating to Reportable Offences committed by a Player or Football Official after attaining the age of 16 years will count for the purposes of Section [7.2\(a\)](#).

(c) AFL/AFLW Competition Career

Any suspension served by a Player or Football Official during their AFL/AFLW Competition career shall carry over and apply to Tier 1 and Tier 2 Competitions except that the total suspension period shall be reduced by 25% for the purposes of this Section [7](#) (to the decimal point).

[Guidance note: For example, if a Player is suspended for six (6) matches whilst playing in the AFL/AFLW Competition, only four and one half (4.5) matches shall carry over for the purposes of this Section [7](#). For the avoidance of doubt, the 25% discount will not apply to any suspension imposed on an AFL/AFLW Listed Player for a Reportable Offence committed while playing outside of the AFL/AFLW Competition.]

7.3 Criteria for Deregistration – serious or cumulative sanctions

- (a) In addition to any sanction imposed on a Player or Football Official under Part E (Disciplinary) of this Policy Handbook, the AFL or relevant State Football Body may determine to Deregister that Player or Football Official if the AFL or relevant State Football Body (in consultation with the AFL) is satisfied that the Policy Breach or Reportable Offence and sanction imposed, when assessed together with the factors in Section [7.3\(c\)](#), warrants Deregistration.
- (b) If the AFL or relevant State Football Body establishes that a Player or Football Official has contravened the rules of a sport other than Australian Football (**Contravention**) and is reasonably satisfied that such Contravention warrants deregistration when assessed together with the factors in Section [7.3\(c\)](#), then the AFL, or relevant State Football Body with the prior approval of the AFL, may determine to Deregister that Player or Football Official.
- (c) In making a determination under Section [7.3\(a\)](#) and [7.3\(b\)](#), the AFL or relevant State Football Body (as applicable) will have regard to the following factors:
 - (i) the nature and seriousness of the Policy Breach, Reportable Offence or Contravention;
 - (ii) the Disciplinary History of the Player or Football Official;
 - (iii) the health and safety of other Persons; and
 - (iv) any other matter considered relevant by the AFL or relevant State Football Body.
- (d) For the avoidance of doubt, a Player or Football Official may be subject of Deregistration under Section [7.3](#) (with section [7.5](#) to apply to such Player or Football Official) even though that person may not be a registered Player or Football Official at the time of the deregistration determination and any determination that a Player or Football Official be Deregistered under sections [7.3\(a\)](#) or [7.3\(b\)](#) above will be taken to be references to section [7.5](#) applying. *[Guidance note: For example, where an offence was committed in the final round of a season and ensuing policy breach and deregistration processes were undertaken post-season after the persons registration had lapsed].*

7.4 Criteria for Deregistration – Serious Criminal Offence by a Football Official

- (a) If the AFL becomes aware of information regarding a Football Official which the AFL reasonably considers gives rise to an inference that the Football Official may have committed a Serious Criminal Offence, then the AFL may request additional information (including a current National Police Check) or clarification from the Football Official.
- (b) If:
 - (i) a Football Official does not within a reasonable period comply with a request by the AFL under Section [7.4\(a\)](#); or
 - (ii) following its assessment of the information or clarification provided under Section [7.4\(a\)](#) or the provision of verified information from the police, the AFL is satisfied that a Football Official has committed a Serious Criminal Offence,

then the AFL may Deregister that Football Official.

- (c) In making a determination under Section [7.4\(b\)](#), the AFL will have regard to the following factors:
 - (i) the nature of the Serious Criminal Offence;
 - (ii) the Disciplinary History of the Football Official, including in respect of Reportable Offences and any Policy Breaches committed by the Football Official;
 - (iii) the health and safety of other Persons; and
 - (iv) any other matter considered relevant by the AFL or relevant State Football Body.
- (d) For the avoidance of doubt, a Football Official may be subject of Deregistration under Section [7.4](#) even though:
 - (i) the relevant Serious Criminal Offence was committed when the person was not a Football Official; or
 - (ii) the person may not be a registered Football Official at the time of the Deregistration determination.
- (e) When making a determination to Deregister a Football Official under Section [7.4](#), the AFL may determine that the Deregistered Football Official can continue to participate in Australian Football as a Player. *[Guidance note: Where a determination under Section [7.4](#) does not provide for a Deregistered Football Official to participate as a Player, Section [7.7](#) will apply to that person should they wish to participate in the future as either a Football Official or Player].*

7.5 Deregistration – general provisions

- (a) **Effect of Deregistration**
 - (i) Subject to Section [7.4\(e\)](#), if a Player or Football Official is Deregistered that Player or Football Official cannot:
 - (A) register to play Australian Football for a Club or participate in a Competition; or
 - (B) officiate or act as a Football Official for a Club or Competition; or
 - (C) be entered on a team sheet.
 - (ii) For the avoidance of doubt:
 - (A) if a Player is Deregistered, that Player will also be prohibited from being a Football Official in any Competition; and
 - (B) if a Football Official is Deregistered, that Football Official will also be prohibited from being a Player in any Competition unless Section [7.4\(e\)](#) applies.
- (b) **First Offence**

Should a Player or Football Official receive a sixteen (16) match (or greater) suspension as a “first offence” it shall be at the discretion of the AFL or relevant State Football Body (in consultation with any other relevant Controlling Body) as to whether or not that Player or Football Official will be Deregistered following suspension.

7.6 Notice of Deregistration

(a) Deregistration Warning – Reportable Offences only

- (i) Where a Player or Football Official has served a total of ten (10) matches of suspensions as a Player or Football Official in respect of Reportable Offences, the relevant Controlling Body will use reasonable endeavours to notify the Player or Football Official and their Club in writing that the Player or Football Official faces the risk of Deregistration should the Player or Football Official incur further suspensions resulting in that Player or Football Official meeting the Reportable Offences Suspension Threshold (**Deregistration Warning**).
- (ii) A Deregistration Warning should be in the form of the Deregistration Warning template set out in [Appendix 7](#) or such other form approved by the Controlling Body.

(b) Controlling Body obligations

- (i) The relevant Controlling Body will provide written notification of a Deregistration under Section [7.2](#) to the Player or Football Official and their Club and the relevant State Football Body (if applicable). *[Guidance note: Where Deregistration occurs due to Reportable Offences, the local league will usually be the “relevant Controlling Body” for the purposes of this Section. In which case, the local league must notify the relevant State Football Body of the Deregistration.]*
- (ii) The AFL or relevant State Football Body (as applicable) will provide written notification of a Deregistration under Section [7.3](#) or [7.4](#) to the Player or Football Official and their Club and any other relevant Controlling Body.
- (iii) A central database of all Deregistered Players and Football Officials will be maintained by the AFL and State Football Bodies via the Competition Management Platform.

(c) Club obligations

- (i) Each Club will at all times strive to ensure its Players and Football Officials do not risk Deregistration and implement measures (such as anger management training) to achieve this objective.
- (ii) Upon receipt of a Deregistration Warning or written notification of a Deregistration under Section [7.6\(b\)](#), a Club must use its best endeavours to confirm that its Player or Football Official has received such notice and promptly acknowledge to the relevant Controlling Body the steps taken by the Club to obtain this confirmation.

(d) Commencement of Deregistration

- (i) A Deregistration under Section [7.2](#) will commence on the date on which the most recent suspension of the Player or Football Official ends (being the

suspension which resulted in that Player or Football Official being Deregistered).

- (ii) A Deregistration under Section [7.3](#) or [7.4](#) will commence on the date of notification of Deregistration by the AFL or State Football Body in accordance with Section [7.6\(b\)\(ii\)](#).
- (iii) A Player or Football Official will be categorised as deregistered in the Competition Management Platform (as distinct from Deregistration as defined in this Policy) at the time that the Player or Football Official receives a sanction which results in Deregistration.

(e) The failure of a Controlling Body to issue a notice to a Player or Football Official and their Club in accordance with Section [7.6\(a\)](#) or [7.6\(b\)\(i\)](#), or the failure of a Club to provide notice to a Player or Football Official in accordance with Section [7.6\(c\)\(ii\)](#), does not invalidate the Deregistration of that Player or Football Official.

7.7 Application for re-registration

- (a) Subject to Sections [7.7\(e\)](#) and [7.7\(f\)](#), a Deregistered Player or Football Official may, by written application to the relevant State Football Body in the form prescribed by that State Football Body, apply for re-registration no less than 12 calendar months after the date on which their Deregistration commenced (**Re-Registration Application**). The relevant State Football Body may levy a fee for the administration of a Re-Registration Application.
- (b) Following receipt of a Re-Registration Application, the relevant State Football Body will convene a panel of at least three members (**Re-Registration Panel**) and arrange a hearing of the Re-Registration Panel to consider the Re-Registration Application (**Re-Registration Hearing**).
- (c) The Re-Registration Panel must comprise of persons who in the opinion of the State Football Body possess sufficient knowledge of Australian Football and are sufficiently qualified to competently perform the role of Re-Registration Panel member.
- (d) **General conduct of a Re-Registration Hearing**
 - (i) A Re-Registration Hearing will be heard at the date, time and place/forum notified by the State Football Body.
 - (ii) Prior to the Re-Registration Hearing, the relevant Controlling Body will provide the Re-Registration Panel with a list of the suspension(s) of the Deregistered Player or Football Official, the grounds for those suspension(s) (i.e. the relevant Reportable Offence or Policy Breach) and any other relevant details regarding the deregistration of the Player or Football Official.
 - (iii) The Deregistered Player or Football Official, their Club and the relevant Controlling Body may make brief submissions to the Re-Registration Panel regarding the Re-Registration Application.
 - (iv) The Re-Registration Panel may either approve or reject a Re-Registration Application provided that the Re-Registration Panel must not approve a Player's or Football Official's Re-Registration Application unless the panel is reasonably satisfied that:

- (A) the Player or Football Official is genuinely rehabilitated and committed to ongoing rehabilitation; and
- (B) the Player or Football Official is unlikely to re-offend; and
- (C) the Player or Football Official does not pose an unacceptable risk to other Persons;

(v) The Re-Registration Panel must not approve a conditional re-registration in respect of a Player or Football Official (for example, allow re-registration as a particular kind of Football Official), except where a Football Official is Deregistered under Section [7.4](#) and is seeking to participate in Australian Football only as a Player.

(vi) The Re-Registration Panel:

- (A) may regulate any Re-Registration Hearing in such manner as the Re-Registration Panel determines; and
- (B) is not bound by the rules of evidence or by practices and procedures applicable to a court of law and may inform itself as to any matter in such manner as it determines.

(vii) The decision of the Re-Registration Panel shall be final and binding.

(e) A Player or Football Official may only submit one (1) Re-Registration Application per 12-month period.

(f) If a State Football Body considers that exceptional and compelling circumstances exist which may reasonably justify a Re-Registration Panel considering a Re-Registration Application prior to the end of the 12-month period specified in Section [7.7\(a\)](#), then the State Football Body may, with the prior approval of the AFL General Manager Game Development (or their nominee), waive a portion of that 12-month period and arrange an early Re-Registration Hearing.

(g) If a Player or Football Official is re-registered and subsequently receives a suspension as a result of a Reportable Offence or Policy Breach:

- (i) where that Player or Football Official was previously Deregistered under Section [7.2](#) or [7.3](#), the Player or Football Official will be permanently Deregistered from participating in any Competition as a Player or Football Official with no further right of appeal or right to apply for re-registration; or
- (ii) where that Player or Football Official was previously deregistered under Section [7.4](#), the State Football Body (in consultation with the AFL) may determine to permanently Deregister the Player or Football Official or grant continued conditional registration.

[Guidance note: Under Section [7.7\(g\)\(ii\)](#), permanent Deregistration will not occur automatically and it will be at the discretion of the State Controlling Body, in consultation with the AFL, whether the Player or Football Official is permanently Deregistered.]

(h) For the avoidance of doubt:

- (i) a Re-Registration Hearing is an application for re-registration only and is not a review or appeal of any previous sanctions;

(ii) there is no review or appeal process in relation to a Deregistration.

8. Gender diversity (participation of transgender and non-binary people)

The [AFL Gender Diversity Policy Community Football](#) (as amended from time to time) is adopted as part of this Policy Handbook and its terms are deemed terms of this Policy Handbook.

 - (iii) educates the participants to understand the dangers and consequences of the use of performance enhancing substances; and
 - (iv) sets an example for all participants in the sport of Australian Football by condemning the use of performance enhancing substances.
- (b) The AFL acknowledges that Supplements are used by athletes including Players of Australian Football. The Supplement industry is largely unregulated, and some Supplements may contain substances that are prohibited in sport and may lead to a potential anti-doping rule violation along with health and reputational risks.
- (c) Anti-doping rules are based upon 'strict liability' and Players are responsible for any prohibited substances found in their body or their possession.

14.2 Anti-Doping

The [Australian Football Anti-Doping Code](#) (as amended from time to time) is adopted as part of this Policy Handbook and its terms are deemed terms of this Policy Handbook.

14.3 Supplements – Player Responsibility

may be required in cases where diet does not meet the nutritional needs of a Player, or in the context of a specific training regime.

(b) Where Players consider Supplement use, they:

- (i) Must ensure compliance with the [Australian Football Anti-Doping Code](#);
- (ii) Should only consider use on an individual basis and as part of a comprehensive nutrition and training program;
- (iii) Should ensure that any use is safe and effective based on evidence including by using the [AIS Sports Supplement Framework](#) which categorises Supplement use into four groups according to scientific evidence and other practical considerations that determine whether a product is safe, permitted and effective in improving sports performance:

Supplement Group	Supplement Category
A	Strong scientific evidence for the use in specific situations in sport using evidence-based protocols. May include sports foods, medical supplements, and performance supplements.
B	Emerging scientific support, deserving of further research. Considered for use by athletes under research protocol or case-managed monitoring situation.
C	Scientific evidence not supportive of benefit amongst athletes or no research undertaken to guide an informed opinion.
D	Banned or high risk of contamination with substances that could lead to a positive doping test and should not be taken by any Player.

- (iv) Should use risk mitigation measures including ensuring products have been through Batch Testing and are registered with the Therapeutic Goods Administration (TGA).

PART D – HEALTH & SAFETY

What is the purpose of Part D?

- (iii) Category 3 Protective Equipment: prior approval of the relevant Controlling Body required in accordance with Section [16.3\(b\)](#).

- (b) A Controlling Body may only grant approval under Section [16.3\(a\)\(iii\)](#) following a physical inspection of the Class 3 Protective Equipment. To assist a Controlling Body with its assessment, Players are encouraged to provide medical certification from a Qualified Medical Practitioner which outlines the clinical need for the Class 3 Protective Equipment and confirms that it does not pose any unreasonable safety risk to the Player or others.
- (c) Any approval granted in respect of Category 3 Protective Equipment may be withdrawn by the relevant Controlling Body at any time.

16.4 Prohibited protective equipment

Equipment with any of the following characteristics will not be classified as Protective Equipment and must not be approved by a Controlling Body:

- (a) equipment made with metal;
- (b) equipment with an exposed hinge;
- (c) equipment with an exposed point, strap or edge;
- (d) equipment with sharp edges;
- (e) equipment made with hard plastic (other than Thermoplastic where there is sufficient exterior padding).

16.5 Mouthguards

- (a) Mouthguards have a definite role in preventing injuries to the teeth and face and for this reason they are strongly recommended at all levels of football. Mouthguards should be worn for all Matches and contact training sessions.
- (b) Custom made mouthguards offer the best protection and comfort for the Player and should be used by all Players.

[Guidance note: a 'boil and bite' mouthguard will provide better protection than no mouthguard and should be used if a custom made mouthguard cannot be sourced.]

16.6 Spectacles

Players who wish to wear spectacles during Matches and training sessions should wear spectacles with plastic frames and plastic lenses. A band must also hold the spectacles on securely.

17. Extreme weather

17.1 AFL statement on extreme weather

Environmental factors may affect the playing of Australian Football. On some occasions, extreme weather conditions (for example, heat, humidity, lightning, poor air quality) may lead to postponement or cancellation of matches, or the implementation of other measures to ensure the safety of Players and Football Officials. This Section sets out the approach that each Controlling Body must adopt when assessing extreme weather conditions.

17.2 Extreme heat

(a) Effects of extreme heat

Heat stress can impair the wellbeing of Players and Football Officials (for example, dizziness, headaches and collapse). In extreme cases, heat stroke can develop, which may be life threatening. Preventing and managing heat stress and injury will ensure safe performance and may improve Player recovery. To prevent and manage heat stress, careful planning and preparation is required in accordance with this Section.

(b) Controlling Body responsibility

(i) A Controlling Body must:

- (A) assess the heat stress risk by regularly reviewing weather information provided by the Bureau of Meteorology; and
- (B) use reasonable endeavours to monitor the implementation of heat stress management strategies by Clubs and Players.

(ii) Where there is a risk of heat stress, a Controlling Body must use reasonable endeavours to schedule Matches:

- (A) to avoid extremes of heat;
- (B) allow for increased rest and recovery breaks; and
- (C) at venues equipped with cooling facilities (for example, cool room (where possible), misting fans, shade and air conditioning).

(iii) In addition, a Controlling Body may undertake the following measures to mitigate heat stress:

- (A) increase the number of water carriers to run drinks at Matches;
- (B) increase the length of intervals to enable teams to leave the field for the shade of the rooms at each break;
- (C) reduce length of quarters;
- (D) postpone or reschedule Matches.

(c) Club responsibility

- (i) A Club must monitor environmental factors such as extreme heat in respect of Matches and any training sessions administered by the Club. The Club should assess the heat stress risk by regularly reviewing information provided by the Bureau of Meteorology. Heat stress management strategies should also be implemented at all Matches and training sessions.
- (ii) A Club must use reasonable endeavours to:
 - (A) coordinate training times to avoid extreme heat conditions;
 - (B) use cooling aids during Matches and training sessions such as ice vests, water spray bottles, cold or iced towels, misting fans (in change rooms and on interchange bench) and shade including portable shade structures;
 - (C) provide heat permeable apparel to Players;
 - (D) report incidents of heat stress illness to the relevant Controlling Body;
 - (E) ensure a Club Football Official is available to monitor and manage Players for heat stress issues as they arise during a Match;
 - (F) provide adequate fluids (water and/or sport drinks) in appropriate bottles; and
 - (G) ensure trainers are fit enough to access as many players as possible during the game.

(d) **Player responsibility**

A Player must ensure that the impact of environmental factors such as extreme heat is not exacerbated by their own conduct and take measures to:

- (i) use cooling strategies before, during and after Matches (for example, cool shower, ice towels or vest on neck and torso)
- (ii) ensure adequate fluid intake prior to and during Matches (500-700mls per quarter);
- (iii) monitor hydration, if practical, by pre-and post weighing and replace lost fluids (weight)
- (iv) notify Club Football Officials when affected by heat or when performance is noticeably affected;
- (v) not play in the heat with an existing illness; and
- (vi) apply sun protection sunscreen at least 30 minutes before exposure to the sun.

[Guidance Note: Sunscreen with a UPF rating above 15 is suitable however the AFL recommends a 50+ UPF rating]

17.3 Lightning

(a) **AS1768-2007**

- (i) A Controlling Body must use best endeavours to comply with AS1768-2007, entitled The Lightning Protection Standard, published on 10 January 2007 (**Lightning Standard**).
- (ii) While the Lightning Standard will not necessarily prevent damage or personal injury due to lightning, it will reduce the probability of such damage or injury occurring.

(b) 30/30 Safety Guideline

- (i) In the absence of specific information from a weather radar, lightning location system or specialised warning device then the relevant Controlling Body and Club(s) must refer to the 30/30 Safety Guideline.
- (ii) The 30/30 Safety Guideline specifies that where lightning is considered to be a possible or actual threat to a Match or training session the following procedures and considerations apply:
 - (A) The observation of approaching storm clouds, the first flash of lightning or clap of thunder, no matter how far away should heighten lightning awareness. The level of risk depends on one's location (direction and distance) relative to the storm cell and the direction in which the storm system is traveling.
 - (B) A simple method of determining the distance to the storm cell is to measure the time elapsed from when the lightning flash is observed and when the associated clap of thunder is heard.
 - (C) Light travels faster than sound. Assuming that the light from the flash reaches the observer instantaneously, and knowing that sound takes approximately three (3) seconds to travel one (1) kilometre, the distance can be determined by using the following rule:
$$\text{distance (in km)} = \text{time from observing the flash to hearing thunder (in 3 seconds)}.$$
 - (D) It is important to remember that lightning may be obscured by clouds so it must be assumed that when thunder is heard, lightning is in the vicinity. In such cases, careful judgment must be used to determine whether a threat exists.
 - (E) The accepted "safe" distance from lightning is greater than 10km. This means that as the time interval between observing the flash and hearing the thunder approaches 30 seconds, all those in exposed areas should be seeking or already inside safe shelters. A storm cell with lightning activity within 10km constitutes a threat.
 - (F) It is recommended that people wait a minimum of 30 minutes after the last sighting of lightning or sound of thunder. This figure is based on the observation that the typical storm moves at about 40km/h. Thus, waiting 30 minutes allows the thunderstorm to be about 20km away, minimising the likelihood of a nearby lightning strike.

(G) It is important to emphasise that blue skies and lack of rainfall are not adequate reasons to breach the 30 minute minimum return-to-activity rule.

(c) General lightning safety guideline

(i) Prior to Match Day

A Controlling Body must assess the thunderstorm activity and lightning risk to Matches and training sessions by regularly reviewing weather information provided by the Bureau of Meteorology.

(ii) Match Day

(A) If lightning is predicted within 10km of a Match venue at the scheduled starting time, that Match may be delayed or suspended by the relevant Controlling Body or Umpire(s).

(B) A decision to resume play in respect of a Match which has been delayed or suspended due to lightning will be made by the Controlling Body or Umpire(s) based on information obtained from the Bureau of Meteorology and in consultation with the relevant Clubs. As per [17.3\(b\)\(ii\)\(F\)](#), it is recommended that at least 30 minutes have elapsed since the last sighting of lightning or sound of thunder.

(d) Club responsibility

(i) A Club must monitor environmental factors such as lightning in respect of Matches and any training sessions administered by the Club. The Club should assess the lightning risk by reviewing information provided by the Bureau of Meteorology.

(ii) Where there is a risk of lightning, a Club must adhere to the following general guidelines:

(A) If a lightning threat emerges, a nominated Club Football Official must contact all relevant coaching, rehabilitation and training staff and provide updates on a regular basis.

(B) A decision to delay, suspend or resume training should be made in consultation with relevant coaching and administration staff.

(C) If Players are training when the lightning threat becomes real, then they should leave the training venue immediately and take shelter inside a building or car. They should not shelter under or near trees.

(D) Once the storm's path has been reassessed, there must be a minimum of 30 minutes elapsed before returning to training.

(E) Where there is no access to Bureau of Meteorology information, the 30/30 Safety Guideline serves as a guide for the suspension and subsequent resumption of activities.

17.4 Air Quality

(a) Effects of poor air quality

Exposure to poor air quality – such as bushfire smoke or pollution – affects individuals differently based on their overall health and pre-existing conditions (e.g. asthma or other respiratory illnesses). Physical activity during such conditions can significantly increase respiratory rate and volume, heightening the risk of breathing difficulties and respiratory complications.

(b) **General air quality guideline**

- (i) PM2.5 refers to fine particulate matter with a diameter of less than 2.5 micrometres. These particles are a key indicator of air quality and are commonly elevated during bushfires and other pollution events. Elevated PM2.5 levels can pose risks to health, particularly for individuals with respiratory conditions.
- (ii) When air quality is compromised or at risk, the following recommended actions should be considered:

PM2.5 Level ($\mu\text{g}/\text{m}^3$)	Air Quality	Recommended action
PM2.5 less than 25	Good	Normal outdoor activity
PM2.5 between 25 – 30	Fair	Normal outdoor activity; players with existing respiratory conditions should take additional care
PM2.5 between 51 – 150	Poor	Where possible, limit duration of outdoor training or train indoors
PM2.5 greater than 150	Hazardous	Avoid outdoor training and consider postponing or suspending matches

(iii)

The PM2.5 level can be monitored by reviewing information provided by the Bureau of Meteorology or apps including [AirRater](#) and [AirMatters](#).

(c) **Controlling Body and Club responsibility**

- (i) Where a Controlling Body or Club is notified or it is apparent, that air quality may be poor or hazardous:
 - (A) A Controlling Body and/or Club should monitor and assess air quality risk in respect of Matches
 - (B) A Club should monitor and assess air quality risk in respect of any training sessions administered by the Club
- (ii) Where there is poor or hazardous air quality, a Controlling Body and/or Club should consider following the recommended actions outlined in Section [17.4\(b\)](#).

18. Sun / UV protection

18.1 AFL statement on sun / UV protection

(a) A Person may be exposed to ultraviolet (UV) light when participating in Australian Football. Prolonged exposure to UV light can result in sunburn, chronic sun damage to both skin and eyes and increase the risk of precancerous and cancerous skin lesions. Sport-specific factors such as increased sweating can increase skin photosensitivity and result in an increased risk of sunburn. A Person should undertake sun protection measures for all outdoor activities, particularly when the UV levels are 3 or greater. The World Health Organisation (WHO) outlines the UV radiation exposure categories or UV Index (UVI) with levels from 0 low to 11+ extreme.

Exposure Category	UVI Range
Low	< 2
Moderate	3 to 5
High	6 to 7
Very High	8 to 10
Extreme	11+

(b) Australian Football is only one contributor to a Person's overall sun exposure and a Person should apply these guidelines to non-football related leisure and work activities.

18.2 Club and Person responsibility

(a) Clubs are encouraged to develop specific sun protection guidelines that are relevant to their geographic location and training requirements. A sport-specific sun protection guideline template can be found on the SunSmart website.

(b) Club Officers should download the SunSmart Mobile Application to assist with monitoring of daily UV levels.

(c) Where possible, Clubs should reduce sun exposure for Players and Football Officials by scheduling outdoor training sessions outside of times of peak UV levels (i.e. early morning or late afternoon noting that UV levels are higher in the middle of the day).

(d) Training sessions undertaken when UV levels are high should be reduced in duration where possible.

(e) Clubs should provide shade for Football Officials participating at training sessions and Matches. Additional shade structures on the benches for Matches should also be considered when matches are played when high UV levels are 3 or greater.

- (f) At times when Players and Football Officials have an increased risk of sun exposure, the following additional measures should be employed:
 - (i) SPF 50+ water-resistant sunscreen should be available at all outdoor training sessions and Matches when the UV levels are (or are expected to be) greater than 3. Expired sunscreen should not be used.
 - (ii) Players and Football Officials should be educated by Clubs to apply a generous amount of sunscreen to all exposed skin at least 30 minutes before sun exposure and sweating occurs and reapplied every 2 hours.
 - (iii) Zinc based sunscreens can be used as an alternative and applied to high exposure areas such as the face.
 - (iv) Where possible, long-sleeved clothing, with Ultraviolet Protection Factor (UPF) should be worn. A UPF rating above 15 is suitable however the AFL recommends a 50+ UPF rating.
 - (v) Players and Football Officials should wear a hat and sunglasses for outdoor training sessions where practical.
- (g) Players and Football Officials should perform regular self-examination of their skin and consult a doctor if they become aware of any changes. These might include new freckles or moles or a change in size, colour or shape.

19. Concussion

[The Management of Sport-Related Concussion in Australian Football](#) (as amended from time to time) is adopted as part of this Policy Handbook and its terms are deemed terms of this Policy Handbook.

20. Pregnancy and postpartum

20.1 AFL statement on pregnant players

- (a) The AFL respects the rights of Players who are pregnant, breastfeeding or the carer of a child to participate in Australian Football and is committed to providing support to assist them to do so. The AFL prohibits any actions that may amount to discrimination against a Player because of the Player's pregnancy, breastfeeding or status as the carer of a child.
- (b) While many sporting activities are safe for pregnant Players, there may be risks that apply during pregnancy. Those risks will depend on the nature of the sporting activity and the pregnant Player's individual circumstances.
- (c) The AFL respects and supports the rights of pregnant Players who, in consultation with medical professionals, elect to continue to participate in Australian Football competitions, provided that at all times the health and wellbeing of the Player and their unborn child is paramount.
- (d) Notwithstanding Sections [20.2\(a\)](#) and [20.3\(c\)](#), the AFL strongly recommends that, once a Player is aware that they are pregnant, that they do not participate in **contact** sporting activities due to the increased risks, including but not limited to, direct trauma, placental injury (in turn to the unborn baby) and maternal injury.

20.2 Club and Player responsibility

- (a) Where a pregnant Player seeks to participate in Australian Football training and / or matches, the Player must
 - (i) obtain written confirmation from an Obstetrician or their treating General Practitioner (GP) supporting the Player's participation in Australian Football training and/or matches whilst pregnant, including medical advice outlining the doctor's opinion regarding:
 - (A) the risks associated with participating in the Australian Football competition and associated training while pregnant;
 - (B) taking into account their individual circumstances, whether it is safe for the Player and their unborn baby to continue participating in the Australian Football competition and associated training, including for how long and whether any modifications are required; and
 - (C) any other information that the doctor considers relevant.
 - (ii) undertake regular review throughout the pregnancy with their Obstetrician or General Practitioner (GP) to provide updated medical advice, in line with the physiological and anatomic changes to the pregnant Player and their unborn baby; and
 - (iii) not participate, or continue to participate, in Australian Football training and/or matches if:
 - (A) written confirmation in accordance with sub-clause (i) above has not been obtained; or
 - (B) in circumstances where the Player has not undertaken regular reviews with their Obstetrician or General Practitioner (GP) in accordance with subclause (ii) above; or
 - (C) the Player's Obstetrician or General Practitioner (GP) no longer supports the Player's participation whilst pregnant.
- (b) A pregnant Player who participates in Australian Football training and / or matches is not covered for injuries wholly or partly attributable to pregnancy or childbirth under the [Australian Football National Risk Protection Program](#).
- (c) Where a Player has advised a Club that they are pregnant, the Club:
 - (i) must confirm that they have sighted the written confirmation, from an appropriately qualified medical practitioner, supporting the player's continued participation in the Australian Football competition and associated training, including for how long and whether any modifications are required; and
 - (ii) must ensure that all information provided by a Player about their pregnancy is kept strictly confidential unless the express written consent of the Player is provided. Announcements regarding the Player's pregnancy must only be made in consultation with the Player.

20.3 Exercising whilst pregnant

- (a) Regular medical assessments with Obstetricians, General Practitioners or midwives, with focus on fetal and maternal health, should continue throughout the pregnancy.
- (b) Every pregnancy is unique, and decisions to continue to participate in exercise throughout the pregnancy (including the nature and intensity of exercise) should be made based on medical advice for the individual Player.
- (c) Decisions to continue to exercise should consider the baseline fitness of the Player, specifics of the pregnancy (e.g. multiple birth, previous complications) and any medical conditions.
- (d) Moderate level exercise in an uncomplicated pregnancy has numerous benefits for the pregnant Player including:
 - (i) Maintaining maternal fitness, strength and endurance;
 - (ii) Reduced risk of high blood pressure in pregnancy;
 - (iii) Prevention of excessive weight gain;
 - (iv) Reduced lower back and pelvic pain;
 - (v) Reduced incidence of continence issues; and
 - (vi) Positive psychological benefits.
- (e) Exercising whilst pregnant has potential risks including:
 - (i) Overheating with risk to the developing baby;
 - (ii) Dehydration;
 - (iii) Trauma to the unborn baby or damage to the placenta;
 - (iv) Changes to balance as the baby develops; and
 - (v) Increased predisposition to lower back and pelvic pain and other soft tissue injuries
- (f) In accordance with Sections 20.3(a) – (e), a pregnant Player should:
 - (i) continue to participate in their usual exercise and physical activities (excluding participation in contact sporting activities), ensuring that they remain well hydrated and adequately fuelled noting that morning sickness can result in reduced energy and dehydration.
 - (ii) aim to maintain, rather than increase, their level of fitness during pregnancy.
 - (iii) avoid exercising in very hot or humid conditions and use of saunas or spas to reduce the risk of overheating.

- (iv) consider limiting exercise that causes excessive stress on the pelvic floor or increases the likelihood of soft tissue injury (e.g. hopping, jumping or change of direction activities).
- (v) start regular pelvic floor exercises early in pregnancy and continue throughout.
- (vi) ensure optimal breast support.

20.4 Return to play postpartum (after childbirth)

- (a) Postpartum, a Player:
 - (i) may resume exercise once comfortable (and wounds healed if Caesarean birth);
 - (ii) may generally resume weight bearing exercise (e.g. running) from six weeks (or eight weeks if Caesarean birth) as long as no pelvic floor symptoms / issues;
 - (iii) may return to football training and playing upon obtaining clearance from an appropriately qualified medical practitioner; and
 - (iv) should continue pelvic floor exercises
- (b) If there are any pelvic floor symptoms (leaking urine or faeces or heaviness or dragging in the pelvis) players should seek prompt medical advice and should not run or play football.
- (c) If breast feeding, caloric intake should be increased to match the increased energy demands of high intensity exercise.
- (d) Good breast support during exercise is important.
- (e) Dehydration should be avoided and a focus on good hydration is paramount.

21. Active bleeding

Law 24 of the Laws of the Game regulates the management of active bleeding in Australian Football.

PART E – DISCIPLINARY

What is the purpose of Part E?

- This Part E (Disciplinary) sets out how alleged Reportable Offences and Policy Breaches are dealt with.
- Alleged Reportable Offences are processed in accordance with Section [22](#), which covers Umpire reports, the referral and investigation of alleged Reportable Offences, Notices of Charge and Early Guilty Pleas.
- Alleged Policy Breaches are processed in accordance with Section [23](#), which covers the submission and investigation of written complaints, Notices of Breach and decisions available to the AFL and Controlling Bodies following an investigation of a Policy Breach.
- Following the processes under Section [22](#) or Section [23](#), a matter may be referred to the Tribunal. Section [25](#) deals with the operation and powers of the Tribunal. Section [26](#) deals with appeals from the Tribunal to the Appeal Board.
- The points above are for background only and are not operative terms of this Policy Handbook.
- The AFL is responsible for developing and implementing an education plan addressing the content and subject matter of this Part E.
- The AFL may, as required under the education plan, direct Relevant Bodies or Persons in particular roles to complete education modules applicable to those roles.

22. Reportable Offences

22.1 Making a report

(a) Notice of Report – Umpire report

- (i) Subject to Section [22.1\(a\)\(ii\)](#), if an Umpire considers that a Person has committed a Reportable Offence, the Umpire will use their best endeavours to inform the Person that they have been reported either:
 - (A) immediately following the relevant incident;
 - (B) before the commencement of the quarter following the relevant incident; or
 - (C) if the relevant incident occurs in the final quarter, as soon as reasonably practicable after the completion of the Match.
- (ii) An Umpire may inform the captain, acting captain or Club Officer of a report where it is impractical to inform the Person.
- (iii) As soon as practicable after completion of the Match, the Umpire must:
 - (A) complete a Notice of Report;
 - (B) lodge the Notice of Report together with the Match paperwork to the Controlling Body; and

(C) retain a copy of the Notice of Report,

provided that the Notice of Report must be lodged no later than twenty four (24) hours after completion of the relevant Match or at such other time as the Controlling Body determines.

(b) **Incident Referral Form – Umpire or Club incident referral after Match**

(i) If an Umpire considers that a Person may have committed a Reportable Offence but did not report that Person under Section [22.1\(a\)](#), then as soon as practicable after completion of the Match, the Umpire must:

(A) complete an Incident Referral Form; and

(B) lodge the Incident Referral Form with the Controlling Body in the manner prescribed by the Controlling Body from time to time (together with the Match paperwork if possible),

provided that the Incident Referral Form must be lodged no later than 5:00pm on the next business day after the relevant Match or at such other time as the Controlling Body determines.

[Guidance note: If an Incident Referral Form is lodged, refer to Section [22.2](#).]

(ii) If a Club considers that a Person has committed a Reportable Offence, the Club may:

(A) complete an Incident Referral Form, or such other form as prescribed by the Controlling Body; and

(B) lodge the Incident Referral Form with the Controlling Body in the manner specified by the Controlling Body from time to time,

provided that the Incident Referral Form must be lodged no later than 5:00pm on the next business day after the relevant Match or at such other time as the Controlling Body determines.

[Guidance note: If an Incident Referral Form is lodged, refer to Section [22.2](#).]

(iii) The Controlling Body may levy a fee for the administration of an Incident Referral Form lodged by a Club in accordance with Section [22.1\(b\)\(ii\)](#), which may be refunded if the Controlling Body determines that the Person who is the subject of the Incident Referral Form has committed a Reportable Offence.

(iv) An Incident Referral Form lodged by a Club in accordance with Section [22.1\(b\)\(ii\)](#) may not be withdrawn by the Club after it has been lodged with the Controlling Body.

(c) **Incident Referral Form – Power of Executive Officer**

Notwithstanding any other provision of this Policy Handbook, if an Executive Officer (or their nominee) considers that a Person has committed a Reportable Offence during a Match, the Executive Officer (or their nominee) may report that Person by completing an Incident Referral Form for assessment by the Controlling Body under Section 22.2(c).

22.2 Investigating an incident

(a) Assessment

As soon as practicable after a Controlling Body receives:

- (i) a Notice of Report under Section [22.1\(a\)\(iii\)](#);
- (ii) an Incident Referral Form under Section [22.1\(b\)\(i\)](#), [22.1\(b\)\(ii\)](#) or [22.1\(c\)](#); or
- (iii) a referral under Section [23.2\(a\)\(i\)\(D\)](#) or [23.2\(c\)\(i\)\(F\)](#),

the Controlling Body must undertake an assessment of the alleged Reportable Offence set out in the Notice of Report or Incident Referral Form or referral and following its assessment, the Controlling Body may, subject to Section 22.2(c), complete a Notice of Charge.

[Guidance note: If a Notice of Charge is completed, refer to Section [22.3](#).]

(b) Match Review Panel

- (i) A Controlling Body may appoint any number of Persons to assist with the assessment of alleged Reportable Offences, including the review of Match footage (**Match Review Panel**). For the avoidance of doubt, the Match Review Panel may comprise one Person.
- (ii) If instructed by a Controlling Body, the Match Review Panel may:
 - (A) assist an Executive Officer in relation to a determination under Section [22.1\(c\)](#); or
 - (B) assist the Controlling Body in relation to an assessment under Section [22.2\(a\)](#); or
 - (C) review Match footage and/or investigate any incident which occurred during a Match using reasonable measures (including by interviewing any relevant Person and taking witness statements) to assess whether a Reportable Offence has been committed during a Match.
- (iii) If, after an assessment under Section [22.2\(b\)\(ii\)\(C\)](#), the Match Review Panel considers that a Person has committed a Reportable Offence, the Match Review Panel or the Controlling Body must, subject to Section [22.2\(c\)](#), complete a Notice of Charge.

[Guidance note: If a Notice of Charge is completed by the Match Review Panel, refer to Section [22.3](#).]

(c) Section 10 Conduct

- (i) Where any offence reported under Section [22.1](#) involves conduct that is considered to constitute vilification or discrimination:
 - (A) the offence is to be dealt with under Section [10](#) of this Policy Handbook; and

(B) any Notice of Report or Incident Referral Form relating to the offence will be deemed to be a Notice of Complaint for the purposes of Section [23.1](#).

22.3 Notice of Charge

(a) Issuing Notice of Charge

If:

- (i) a Controlling Body completes a Notice of Charge under Section [22.2\(a\)](#); or
- (ii) a Match Review Panel completes a Notice of Charge under Section [22.2\(b\)\(iii\)](#),

then the Controlling Body must, as soon as practicable after the relevant Match, issue the Notice of Charge to the charged Person and that Person's Club.

[Guidance note: Once a Notice of Charge is issued, refer to Section [22.4](#).]

(b) Withdrawal of Notice of Charge

- (i) Subject to Section [22.3\(a\)\(ii\)](#), a Match Review Panel or Controlling Body may withdraw a Notice of Charge completed under Section [22.2\(a\)](#) or [22.2\(b\)\(iii\)](#) (as applicable) at any time prior to a Tribunal hearing with notice of the withdrawal to be given to the charged Person and that Person's Club.
- (ii) Where a Notice of Charge has been issued with an Early Guilty Plea offer and that Early Guilty Plea offer has been accepted by the charged Person, the Notice of Charge cannot then be withdrawn or amended or a new Notice of Charge issued for the same offence.

(c) Notice of Charge

A Notice of Charge must categorise and grade (if applicable) the alleged Reportable Offence based on the categories and gradings of Reportable Offences specified in [Appendix 1](#).

22.4 Early Guilty Plea – Reportable Offence

(a) Person may enter Early Guilty Plea

Subject to Section [22.4\(c\)](#), where a Person has been issued a Notice of Charge, that Person may enter an Early Guilty Plea in relation to the Reportable Offence set out in the Notice of Charge and accept the Early Guilty Plea penalty prescribed by the Controlling Body in accordance with [Appendix 1](#) or elect to contest the Notice of Charge, by no later than 5:00pm on the next business day after receipt of the Notice of Charge, or such other time as the Controlling Body determines.

[Guidance note: Sometimes an Early Guilty Plea will not be available because a Controlling Body may refer the Notice of Charge directly to the Tribunal under Section [22.4\(c\)](#).]

(b) Proceed to Tribunal hearing

- (i) If a Person elects to contest a Notice of Charge issued under Section [22.4\(a\)](#) then the Controlling Body must refer the matter to the Tribunal and, subject

to Sections [25.4\(a\)\(iv\)](#) and [25.4\(a\)\(vi\)](#), that Person will not be entitled to any reduction to the sanction applicable to the Reportable Offence as per [Appendix 1](#).

- (ii) If a Person fails to respond to a Notice of Charge issued under Section [22.4\(a\)](#) then the Controlling Body may:
 - (A) refer the matter to the Tribunal to be dealt with in accordance with Section [25](#) and, subject to Sections [25.4\(a\)\(iv\)](#) and [25.4\(a\)\(vi\)](#), that Person will not be entitled to any reduction to the sanction applicable to the Reportable Offence as per [Appendix 1](#); or
 - (B) apply the Early Guilty Plea penalty without referring the matter to the Tribunal.

(c) **Early plea not available**

- (i) On issuing a Notice of Charge under Section [22.3\(a\)](#), a Controlling Body may refer the Notice of Charge directly to the Tribunal to be determined under Section [25](#).

[Guidance note: Refer to the Direct Tribunal Offences provisions set out in Clause 4 of Appendix 1 which must be referred directly to the Tribunal.]

- (ii) If a Notice of Charge is referred directly to the Tribunal, the charged Person may not enter an Early Guilty Plea.

[Guidance note: Where a Classifiable Offence is referred directly to the Tribunal under Appendix 1 Clause 2(b)(iv), and the charged Person pleads guilty to the charge at the Tribunal, the Tribunal in its discretion may still apply a sanction under Appendix 1, Table 2 as if an Early Guilty Plea has been entered.]

23. Policy Breaches

23.1 Making a complaint

(a) **Written complaint by Person**

Subject to Section [23.1\(b\)](#), if a Person considers that another Person has committed a Policy Breach, the first Person may submit a written complaint to:

- (i) the relevant Controlling Body (other than the AFL) by submitting a Notice of Complaint to that Controlling Body; or *[Guidance note: If complaint submitted to Controlling Body, refer to Section [23.2\(c\)](#).]*
- (ii) the AFL via the AFL's electronic complaint submission platform (accessible [here](#)); or *[Guidance note: If complaint submitted to AFL, refer to Section [23.2\(a\)](#).]*
- (iii) otherwise in the manner specified by the AFL from time to time.

[Guidance note: If a written complaint is made anonymously, or without supporting information details, it may restrict the ability of the Controlling Body to investigate or take direct action in relation to the complaint.]

(b) **Time limitation**

- (E) the Tribunal will not consider evidence (including video evidence) of any other incidents.

(f) **Matters referred under Anti-Doping Code**

(h) **Standard of proof**

- (i) In relation to a Notice of Charge, the Tribunal will decide whether a Reportable Offence against a Person has been committed on the balance of probabilities.
- (ii) In relation to a Notice of Breach, the Tribunal will decide whether a Policy Breach has been committed to its comfortable satisfaction.

(i) **Onus of proof**

No person appearing before the Tribunal shall bear an onus of establishing that an alleged Reportable Offence or Policy Breach has been committed.

that Person may be dealt with in such manner as the Tribunal determines, including, where relevant, factoring in that Person's conduct in imposing a sanction under Section [25.4\(a\)](#).

(k) **Prohibited conduct**

- (i) A charged Person, that Person's representative or any Person acting in concert with a charged Person, must not contact, or procure another Person to contact, a Person who may be required to give evidence before the Tribunal, where that contact is intended to or may otherwise mislead the Tribunal or unfairly affect the conduct of the Tribunal hearing.

 - (B) any matter relating to an investigation under this Policy Handbook, until completion of such investigation and/or relevant determination by the Tribunal,

unless the Person establishes, to the reasonable satisfaction of the Controlling Body, that such public comment was not intended to influence or affect the conduct of a Tribunal hearing or the process of an investigation.

- (iii) If a Controlling Body determines that a Person has breached this Section [25.3\(k\)](#), that Person:
 - (A) will be deemed to have also breached Section [9.2\(a\)](#) of this Policy Handbook; and

(n) **Recording a Tribunal hearing**

- (i) A Tribunal hearing may be recorded by a person authorised to do so by the Tribunal Chairperson.
- (ii) No other person shall record a Tribunal hearing without the prior consent of the Tribunal Chairperson.

25.4 Outcomes

(a) **Tribunal decision**

- (i) A decision of the Tribunal must be determined according to the opinion of a majority of the sitting Tribunal.
- (ii) Subject to Section [25.4\(a\)\(iv\)](#), if the Tribunal determines, in relation to a Notice of Charge, that a Reportable Offence has been committed by a Person, the Tribunal must:
 - (A) impose the sanction applicable to the Reportable Offence in accordance with [Appendix 1](#); and
 - (B) where the sanction is a suspension, impose that suspension in accordance with Section [27.1\(a\)](#).
- (iii) If the Tribunal determines, in relation to a Notice of Breach, that a Policy Breach has been committed by a Person, the Tribunal may:
 - (A) impose a sanction on that Person, on any terms and conditions, including to reprimand or suspend that Person providing that the Tribunal may not deregister that Person or revoke the Coach or Umpire Accreditation of that Person and providing that any suspension of that Person is in accordance with Section [27.1\(a\)](#); and
 - (B) be guided, to the extent applicable and relevant, by the sanctions applicable to Reportable Offences in accordance with [Appendix 1](#).
- (iv) The Tribunal may determine that a reduced sanction is applicable in exceptional and compelling circumstances which must relate directly to the Person's involvement in Australian Football and which may arise where:

- (A) a Person has a verifiable exemplary Disciplinary History;
- [Guidance note: refer to Appendix 1, Clause 7(b)]
- (B) a Reportable Offence or Policy Breach was committed in response to provocation;
- (C) a Reportable Offence or Policy Breach was committed in self-defence; or

and it is appropriate in such exceptional and compelling circumstances to reduce the sanction.

Exceptional and compelling circumstances must not include any circumstances related to:

- (F) the nature or perceived importance of any future Matches the Person may be eligible to participate in (e.g. finals Match, milestone Match, representative Match).

- (v) In determining any sanction, the Tribunal will have no regard to the effect of the sanction on deregistration.
- (vi) Should a Person plead guilty to a Reportable Offence subject to an alternative classification, and successfully contest the Notice of Charge at the Tribunal (such that the Tribunal determines to downgrade the charge), the Person will be entitled to receive a reduction in the sanction equivalent to the reduction obtained had the Player submitted an Early Guilty Plea for that lesser offence.
- (vii) The Tribunal is not obliged to give reasons for any decision it makes under this Policy Handbook.
- (viii) If the Tribunal makes a decision under this Section [25.4\(a\)](#) in relation to a Person who was under the age of eighteen (18) years at the time the Reportable Offence or Policy Breach occurred, the Controlling Body must not publish the decision of the Tribunal insofar that it is viewable by the general public without the express permission of the relevant Person and their parent/guardian except that, to ensure effective administration of Competitions, access to such decisions and related sanctions will be available to the Controlling Body and any Club Officer who has access to Competition records.

(b) Validity of charge and hearings

- (i) Where there is any procedural irregularity in relation to a Notice of Charge or Notice of Breach or any other relevant matter, the Tribunal must still hear and determine the relevant matter unless the Tribunal is satisfied that the irregularity has caused or may cause injustice.

- (ii) The Chairperson may direct that a Notice of Charge or Notice of Breach be amended to ensure that the Notice of Charge or Notice of Breach is heard and determined according to its merits and not on the basis of a technicality. For the avoidance of doubt, the power to amend includes the power to substitute another charge.
- (iii) A decision of the Tribunal is not invalid because of a defect or irregularity in, or in connection with, the appointment of a Tribunal member.
- (iv) Subject to Sections [25.3\(d\)\(v\)](#), [25.3\(h\)](#) and [25.3\(i\)](#), any procedure or requirement regulating the function of the Tribunal is directory in nature and a decision of the Tribunal will not be invalid by reason of that procedure or requirement not being fulfilled.

those requirements are expressly excluded from this Policy Handbook.

- (ii) Where the Appeal Board determines that one or more Appeal Grounds has been established, the Appeal Board may confirm, reverse or modify the decision of the Tribunal or Controlling Body (as applicable) and make such orders and give such directions in such manner as it determines provided that any suspension imposed must be in accordance with Section [27.1\(a\)](#).

- (A) that an appeal be adjourned; and/or

- (A) the merits of the appeal and the Appellant's prospects of success;
- (B) the interests of other Clubs and Persons;

For the avoidance of

doubt, the remaining balance of the fixed fee paid by the Appellant under Section [26.1\(c\)\(i\)\(B\)](#) will not be refunded.

- (iii) Where an appeal is unsuccessful, the fixed fee paid by the Appellant under Section [26.1\(c\)\(i\)\(B\)](#) will not be refunded and will be retained by the Controlling Body, unless the matter involves a monetary sanction and/or the Appeal Board determines that it would be manifestly unjust and unfair not to refund part of the fixed fee in which case, part of the fixed fee may be refunded.

(e) Abandon appeal and refund of fixed fee

- (i) An Appellant may abandon an appeal prior to any Appeal Board hearing by giving written notice to the Controlling Body in which case 50% (or such other proportion determined by the Controlling Body) of the fixed fee paid by the Appellant under Section [26.1\(c\)\(i\)\(B\)](#) must be refunded to the Appellant on receipt by the Controlling Body of a written refund request or appropriate tax invoice. For the avoidance of doubt, the remaining balance of the fixed fee paid by the Appellant under Section [26.1\(c\)\(i\)\(B\)](#) will not be refunded.
- (ii) If an Appellant abandons an appeal during the conduct of the Appeal Board hearing, the fixed fee paid by the Appellant under Section [26.1\(c\)\(i\)\(B\)](#) will not be refunded and will be retained by the Controlling Body.

- (iii) Subject to Sections [26.3\(d\)\(iii\)](#) and [26.3\(d\)\(iv\)](#), any procedure or requirement regulating the function of the Appeal Board is directory in nature and a decision of the Appeal Board is not invalid by reason of that procedure or requirement not being fulfilled.

- (xiii) A Person suspended may not perform any Football Official duties on Match day for the duration of their suspension, including any role that would require that Person to be entered on a team sheet. *[Guidance note: For example, a suspended Player cannot play or perform the role of runner or assistant coach during their suspension period.]*

- (c) Unless otherwise specified by the relevant Controlling Body in exceptional and compelling circumstances, a suspended Person will not be eligible to play, coach or otherwise be involved in representative football if the representative fixture occurs while the Person is serving the suspension. The representative fixture will not count as part of the suspension.
- (d) Where a Person is suspended, and a scenario arises with respect to the application of that suspension that is not specifically dealt with in Sections [27.1\(b\)](#) and [27.1\(c\)](#), then the relevant Controlling Body or Controlling Bodies may apply the suspension at their discretion (acting reasonably and having regard to the principles set out in Sections [27.1\(b\)](#) and [27.1\(c\)](#)). If two Controlling Bodies are involved, both Controlling Bodies must agree on the application of the suspension under this Section 27.1(d).
- (e) Where a matter cannot be resolved under Section [27.1\(d\)](#), an involved Controlling Body may refer the matter to the AFL for resolution.
- (f) Law 22.4 of the Laws of the Game will apply in conjunction with this Section [27.1](#) in relation to all Persons suspended under Part E of this Policy Handbook.

(g) Law 22.4.4 will be deemed to apply to a suspension arising from a Policy Breach in the same way as a suspension arising from a Reportable Offence.

27.2 Recording of Reportable Offences and Policy Breaches

- (a) Where a Notice of Charge is issued under Section [22.2](#) or Notice of Breach is issued under Section [23.4](#), the Controlling Body must record the details of the Reportable Offence or Policy Breach, as applicable, against the relevant Person's profile in the Competition Management Platform (where that Person has a profile).
- (b) When the outcome of Notice of Charge or Notice of Breach is determined, including a finding by a Tribunal, the Controlling Body must record that outcome against the relevant Person's profile in the Competition Management Platform (where that Person has a profile).
- (c) The AFL or Controlling Body, as applicable, must securely retain relevant records of any Reportable Offence or Policy Breach until such records are no longer reasonably required.

27.3 Closure of a disciplinary matter

A disciplinary matter under Part E may be closed where:

- (a) in relation to a Notice of Report or an Incident Referral Form, a Controlling Body or Match Review Panel elects not to proceed with a Notice of Charge under Section [22.2](#);
- (b) a Complaint is dismissed by the AFL under Section [23.2\(a\)\(i\)\(E\)](#) or by the Controlling Body under [23.2\(c\)\(i\)\(G\)](#);
- (c) withdrawal of a Notice of Charge under Section [22.3\(b\)](#), or a Notice of Breach under Section [23.4\(c\)](#);
- (d) a Person enters an Early Guilty Plea in accordance with Section [22.4\(a\)](#) or Section [23.5\(a\)](#);
- (e) a determination is made by AFL under Section [23.3\(a\)\(i\)\(B\)](#) or [23.3\(a\)\(i\)\(C\)](#);
- (f) subject to any Appeal under Section [26](#), a Complaint is dealt with by a Controlling Body under Section [23.3\(b\)\(i\)\(B\)](#);
- (g) subject to any Appeal under Section [26](#), a Notice of Charge or Notice of Breach is determined by a Tribunal in accordance with Section [25.4\(a\)](#); or
- (h) any Appeal lodged in accordance with Section [26](#) is dismissed or determined by the Appeal Board;
- (i) there is an agreed outcome at Conciliation under Section [10.4](#), or where there is no agreed Conciliation outcome and the AFL determines under Section [10.6](#) that a matter is not to proceed.

27.4 Communication

A Controlling Body or the AFL, as applicable, will communicate as appropriate with the involved parties throughout the management and resolution of a disciplinary matter, including notification of the outcome and closure of a matter.

27.5 Public comment & criticism

- (a) A Person must not make any unfair, unreasonable or excessive public criticism of:
 - (i) a Controlling Body decision or of any Controlling Body Officer;
 - (ii) a Tribunal decision or of any Tribunal member or any other matter touching or concerning the Tribunal or a determination made by it; or
 - (iii) an Appeal Board decision of any Tribunal member or any other matter touching or concerning the Tribunal or a determination made by it.
- (b) If a Person breaches Section [27.5\(a\)](#) that Person and that Person's Club may be dealt with in such manner as the Controlling Body sees fit including referral of such breach to the Tribunal.

27.6 No admission of liability

- (a) Except as required by law, any record of proceedings, plea by a Person or finding by a Tribunal or Appeal Board under Part E of this Policy Handbook shall apply only for the purposes of this Policy Handbook.
- (b) For the avoidance of doubt:
 - (i) any guilty plea by a Person under this Policy Handbook shall not be taken as an admission of liability for the purposes of any proceedings other than those prescribed under this Policy Handbook;
 - (ii) in respect of and for the purpose of any such other proceedings, any guilty plea in accordance with this Policy Handbook shall not be deemed to include an express acceptance of liability; and
 - (iii) any evidence presented to a Controlling Body, AFL, Tribunal or Appeal Board, including without limitation any statements made and any transcript of proceedings, as well as any finding by the Tribunal or Appeal Board, shall not be relied upon in any such other proceedings as evidence of liability.

27.7 Person subject of criminal investigation or proceedings

Notwithstanding Sections [23.2\(h\)](#), [23.2\(i\)](#) and [25.3\(j\)](#), a Person interviewed as a suspect in a criminal investigation, charged or arrested by a law enforcement agency in respect of a criminal offence shall not be required to give any information, give any evidence or make any statement to the AFL if they establish that to do so would breach any privilege against self-incrimination, or legal professional privilege. This Rule does not limit any other provision of this Policy Handbook.

APPENDIX 1 – Reportable Offences

1. Application

- (a) This Appendix 1 sets out the different categories of Reportable Offences and appropriate sanctions and courses of action in respect of Reportable Offences.
- (b) The categories of Reportable Offences are as follows:
 - (i) Classifiable Offences (Clauses [2](#) and [3](#) of this Appendix 1);
 - (ii) Direct Tribunal Offences (Clause [4](#) of this Appendix 1);
 - (iii) Low-level Offences (Clause [5](#) of this Appendix 1); and
 - (iv) Auditory Offences (Clause [6](#) of this Appendix 1).
- (c) This Appendix 1 is to be used by a Controlling Body (including any Match Review Panel, Match Review Officer or other person(s) responsible for assessing a Reportable Offence) to determine the appropriate category of offence, sanction or course of action prior to any Tribunal involvement under Section [25](#).

[Guidance note: Examples of Reportable Offences committed in the AFL/AFLW Competition are listed in [Appendix 2](#). The AFL will make vision of these examples available to Controlling Bodies from time to time.]

2. Classifiable Offences

(a) Which Reportable Offences are Classifiable Offences?

A Classifiable Offence is a Reportable Offence specified in Table 1 below which may be graded by a Controlling Body in order to determine an appropriate base sanction for that Reportable Offence.

Table 1 – Classifiable Offences
Charging
Unreasonable or Unnecessary Contact to the Eye Region
Forceful Front-On Contact
Headbutt or Contact Using Head
Kicking
Kneeing
Rough Conduct
Striking
Tripping
Unreasonable or Unnecessary Contact to the Face

(b) **Grading Classifiable Offences**

(i) Unless otherwise specified in this Policy Handbook, a Controlling Body must grade a Classifiable Offence in accordance with Table 2 below:

Table 2 – Classification Table				
Conduct	Impact	Contact	Base Sanction	Early Guilty Plea
Intentional	Severe	High/Groin/Chest	5 or more Matches (Tribunal)*	N/A
		Body	4 or more Matches (Tribunal)*	N/A
	High	High/Groin/Chest	4 Matches	3 Matches
		Body	3 Matches	2 Matches
	Medium	High/Groin/Chest	3 Matches	2 Matches
		Body	2 Matches	1 Match
	Low	High/Groin/Chest	2 Matches	1 Match
		Body	1 Match	Fine and/or Reprimand
Careless	Severe	High/Groin/Chest	4 or more Matches (Tribunal)*	N/A
		Body	3 or more Matches (Tribunal)*	N/A
	High	High/Groin/Chest	3 Matches	2 Matches
		Body	2 Matches	1 Match
	Medium	High/Groin/Chest	2 Matches	1 Match
		Body	1 Match	Fine and/or Reprimand
	Low	High/Groin/Chest	1 Match	Fine and/or Reprimand
		Body	1 Match	Fine and/or Reprimand

*Refer to Clause 2(b)(vi) of Appendix 1.

- (ii) If applicable, a Controlling Body may grade a Classifiable Offence in accordance with the specific classification table adopted by the relevant Controlling Body provided such table has been approved by the AFL.
- (iii) For a Controlling Body to arrive at a grading set out in Table 2, the Controlling Body must use the interpretation provisions set out in Clause [3](#) of this Appendix 1 to assess whether:
 - (A) the Conduct is Intentional or Careless;
 - (B) the Impact is Severe, High, Medium or Low; and
 - (C) the Contact with the other Person is High/Groin/Chest or to the Body.
- (iv) A Controlling Body may refer a Classifiable Offence directly to the Tribunal on the basis that:
 - (A) it is a Classifiable Offence which the Controlling Body has graded as Severe Impact (togeth with any Contact or Conduct grading); or
 - (B) it is a Classifiable Offence which attracts a base sanction that the Controlling Body finds inappropriate.

[Guidance note: Refer to Section [22.4\(c\)](#). See also Clause [4](#) (Direct Tribunal Offences) of this Appendix 1.]

- (v) References to 'Chest' in this Appendix 1 apply to Persons participating in female Competitions only.
- (vi) In respect of a charge for a Classifiable Offence where the Impact is graded by the Controlling Body as Severe, if only the minimum prescribed sanction (set out in Table 2 above) is sought, the Controlling Body will, in its discretion, specify that minimum prescribed sanction and the Player may enter an Early Guilty Plea and accept the sanction without the matter being referred directly to the Tribunal. If the Controlling Body does not specify that the minimum prescribed sanction is sought, the charge will be referred to the Tribunal and the charged Player will not have the option to enter an Early Guilty Plea.

3. Determining the grading of Classifiable Offences

- (a) **Grading Conduct**
 - (i) The Conduct will be graded as Intentional or Careless.
 - (ii) Intentional Conduct
 - (A) A Person intentionally commits a Classifiable Offence if the Person engages in the conduct constituting the Reportable Offence with the intention of committing that Reportable Offence.
 - (B) An intention is a state of mind and may be formed on the spur of the moment.
 - (C) Whether or not a Person intentionally commits a Reportable Offence depends upon the state of mind of the Person when the Person

engages in the conduct with which they are charged. What the Person did is often the best evidence of their intention. In some cases, the evidence that the conduct itself provides may be so strong as to compel an inference of what the Person's intent was, no matter what they may say about it afterwards. If the immediate consequence of conduct is obvious and inevitable, the deliberate engaging of the conduct carries with it evidence of an intention to produce the consequence.

- (D) As an example, a strike will be regarded as Intentional where a Person delivers a blow to another Person with the intention of striking them.
- (E) The state of a Person's mind is an objective fact and has to be proved in the same way as other objective facts. The whole of the relevant evidence has to be considered. It is necessary to weigh the evidence of the Person as to what their intentions were along with whatever inference as to their intentions can be drawn from their conduct and/or other relevant facts. The Person may or may not be believed. Notwithstanding what the Person says, it may be able to be concluded from all the material that the Person intentionally engaged in the conduct constituting the Reportable Offence.

(iii) Careless Conduct

- (A) A Person's conduct will be regarded as Careless where it constitutes a breach of the duty of care owed by the Person. Each Person owes a duty of care to other Persons not to engage in conduct which will constitute a Reportable Offence being committed against those Persons.
- (B) To constitute a breach of that duty of care, the conduct must be such that a reasonable Player would not regard it as prudent in all the circumstances.
- (C) Further, a Person will be careless if they breach their duty to take reasonable care to avoid conduct which can be reasonably foreseen to result in a Reportable Offence.

[Guidance Note: An example of careless conduct would be where a Player collides with another Player who has taken a mark and where contact occurs just after the mark has been taken. The offending Player has a duty of care to take reasonable care to avoid acts which may be reasonably foreseen to result in a Reportable Offence. For instance, a failure to sufficiently slow their momentum or change direction to reasonably attempt to avoid or reduce the impact of any contact may constitute carelessness.]

(b) **Grading Impact**

- (i) The Impact will be graded as Low, Medium, High or Severe. In an assessment as to the level of Impact, the following factors will be considered:
 - (A) the extent of force and, in particular, any injury sustained by the Person who was offended against (as set out in any relevant medical report);
 - (B) the absence of injury does not preclude the classification of Impact as Low, Medium, High or Severe;

- (C) the potential to cause injury, or the potential to cause further or greater injury, must also be factored into the determination of Impact, particularly in the following cases:
 - (1) intentional strikes, such as those with a swinging clenched fist, raised forearm or elbow;
 - (2) high bumps, particularly with significant head contact and/or momentum;
 - (3) any head-high contact with a Player who has their head over the ball, particularly when contact is made from an opponent approaching from a front-on position;
 - (4) forceful round-arm swings that make head-high contact to a Player in a marking contest, ruck contest or when tackling;
 - (5) any contact that occurs when the other Person should not reasonably be expecting or is not reasonably prepared for contact (i.e. contact off the ball);
 - (6) any dangerous tackle;
- (D) Low Impact is the minimum impact required for a Classifiable Offence which requires more than just negligible impact. However, the potential to cause injury, or the potential to cause further or greater injury, may result in an upgrade to the level of Impact, including from negligible to a higher level of Impact;
- (E) strong consideration will be given to the distance the incident occurs from the ball and the expectation of contact of the other Person (especially in the case of intentional strikes);
- (F) consideration will also be given not only to the impact between the offending Person and the other Person, but also any other impact to the other Person as a result of that impact; *[Guidance note: For example, where the other Person as a result of the impact from an offending Person is pushed into the path of a fast-moving third Person, the impact to the other Person may be classified as High or Severe Impact, even though the level of impact between the other Person and offending Person was only Low or Medium Impact.]*
- (G) the body language of the offending Person in terms of flexing, turning, raising or positioning the body to either increase or reduce the force of impact;
- (ii) Whilst an Intentional or Careless act causing a concussion will usually be graded as Severe Impact, when other factors relevant to Impact, including the observable level of force, are more consistent with a lesser impact grading (e.g. High Impact or Medium Impact) a lesser impact grading may be imposed for a Careless act.
- (iii) Table 3 sets out Impact guidelines and provides a summary of indicative Impact guidelines for Low, Medium, High and Severe Impact incidents:

Table 3 – Impact guidelines

Low	<p>Player: Minimal or no impact on the Match - the Player continued to play the majority of the Match and suffered no or minimal ongoing issues.</p> <p>Person (other than Player): Person continued in their relevant capacity in relation to the Match for the majority of the Match and suffered no or minimal ongoing issues.</p> <p>The Impact grading may be raised under the potential to cause injury, or the potential to cause further or greater injury.</p>
Medium	<p>Player: Clearly some impact on the Player, and/or the Player left the field for a lengthy period of time, and/or some possible lower level ongoing treatment(s) required, and/or may miss one Match.</p> <p>Person (other than Player): Clearly some impact on the Person, and/or the Person was prevented from continuing in their official capacity in relation to the Match for a lengthy period of time, and/or some possible lower level ongoing treatment(s) required.</p> <p>The Impact grading may be raised under the potential to cause injury, or the potential to cause further or greater injury.</p>
High	<p>Player: Major impact on the Player, and/or the Player was unable to participate in the remainder of the Match, and/or major ongoing issues that require medical intervention and/or may miss some Matches.</p> <p>Person (other than Player): Major impact on the Person, and/or the Person was unable to continue in their official capacity in relation to the Match for the remainder of the Match, and/or major ongoing issues that require medical intervention and/or may miss some Matches.</p> <p>The Impact grading may be raised under the potential to cause injury, or the potential to cause further or greater injury.</p>
Severe	<p>Person (including Player): Major impact and serious injury to the Person, and/or likely to miss a significant number of Matches.</p> <p>The sanction determination may be raised under the potential to cause injury, or the potential to cause further or greater injury.</p>

For the avoidance of doubt, Table 3 is included for guidance purposes and must be considered together with factors set out in Clause [3\(b\)](#) of this Appendix 1.

(c) **Grading Contact (High/Groin/Chest, Body)**

- (i) High Contact is not limited to contact to the head and includes contact to the top of the shoulders or neck.
- (ii) A classification of High Contact may apply to a Careless or Intentional Dangerous Tackle (refer to Clause [8\(f\)\(iii\)](#) of this Appendix 1) which has the potential for an injury to be caused, or the potential to cause further or greater injury, through dangerous high contact with the ground and where high contact with the ground does not actually occur.
- (iii) Contact to the Groin includes contact to the crease or hollow at the junction of the inner part of each thigh with the trunk together with the adjacent region, including the testicles and vulva.

- (iv) Contact to the Chest means contact to the breast(s) of the other Person (females only).
- (v) Where contact is both High and to the Body, it will usually be classified as High Contact.
- (vi) Where contact is both to the Chest and to the Body, it will be classified as Contact to the Chest (females only).
- (vii) Contact will be classified as High, to the Groin or, in the case of females only, to the Chest, where a Person's head, groin or chest makes contact with another Person or object such as the fence or the ground as a result of the actions of the offending Person. By way of example, should a Person tackle another Person around the waist and as a result of the tackle, the tackled Person's head makes forceful contact with the fence or the ground the Contact in these circumstances would be classified as High, even though the tackle was to the body.
- (viii) The Controlling Body has the discretion to grade contact as Body contact rather than High contact where the Body impact would result in a more significant sanction.

(d) Impact of a bad record on Classifiable Offence

- (i) The sanction for Classifiable Offences may be increased where a Person has a bad Disciplinary History.
- (ii) Where a Person has been found or pleaded guilty to two low-level Classifiable Offences within a 12 month period (those Classifiable Offences with a base sanction of 1 match as per Table 2), any third or subsequent low-level Classifiable Offence (with a base sanction of 1 match as per Table 2) within the same 12 month period (as at the date of the offence) will result in a base sanction of 2 matches, with the Person able to accept 1 match with an Early Guilty Plea. For the avoidance of doubt, the Low-level Offences referred to in Clause 5 of this Appendix 1 will not be affected by this bad record provision.
- (iii) A Controlling Body has the power pursuant to Section [22.4\(c\)](#) to directly refer a Person to the Tribunal as a result of the Person's bad Disciplinary History. In this instance the Tribunal will not be bound by Table 2. Evidence in relation to the record of a Person may be tendered to the Tribunal without the leave of the Chairperson.

(e) Injury

The Controlling Body and the Tribunal can inquire and receive information as to the nature and extent of any injury suffered by a Person in relation to a Reportable Offence. The nature and extent of injury may be a relevant factor in determining the level of Impact, Contact and in some instances, the nature of the Conduct. A Club must provide a medical report upon request by the Controlling Body or Tribunal.

4. Direct Tribunal Offences

(a) Which Reportable Offences are Direct Tribunal Offences?

Direct Tribunal Offences are those Reportable Offences which are referred by the Controlling Body directly to the Tribunal for determination without grading (i.e. without an assessment of the Reportable Offence using Table 2), including the following Reportable Offences:

Table 4 – Direct Tribunal Offences
Attempting to Strike an Umpire
Behaving in an Abusive, Insulting, Threatening or Obscene Manner Towards or in Relation to an Umpire
Eye Gouging
Intentional Contact with an Umpire
Spitting on Another Person
Spitting on or at an Umpire
Stomping
Striking an Umpire
Serious Misconduct

(b) **Determination of Direct Tribunal Offences**

The Tribunal will determine a Direct Tribunal Offence in accordance with Section [25](#). The Tribunal will determine the appropriate sanction for a Direct Tribunal Offence in its absolute discretion.

5. Low-level Offences

(a) **Which Reportable Offences are Low-level Offences?**

Low-level Offences are the following low-level Reportable Offences which, having regard to the provisions of this Clause [5](#) and Clause [8](#) of this Appendix 1, do not require classification (i.e. do not require an assessment of the Reportable Offence using Table 2):

Table 5 – Low-level Offences
Attempt to Strike / Kick / Trip
Careless Contact with an Umpire
Disputing Decision
Instigator of a Melee / Wrestle
Interfering with a Player Kicking for Goal

Unreasonable or Unnecessary Contact with an Injured Player
Unreasonable or Unnecessary Contact with an Umpire
Not Leaving the Playing Surface
Obscene Gesture
Pinching
Prohibited Boots, Jewellery or Equipment
Scratching
Shaking, Climbing or Interfering with Goal or Behind Post
Spitting at Another Player
Staging
Striking
Kicking
Time Wasting
Tripping
Engaging in a Melee / Wrestle
Any Other Act of Low-Level Misconduct which is not a Classifiable Offence or Direct Tribunal Offence

(b) **Sanctions for Low-level Offences**

(i) Unless otherwise specified in this Policy Handbook, for Low-level Offences a Controlling Body must impose the base sanctions (with a reduced sanction for an early Guilty Plea) set out in Table 6 below:

Table 6 – Low-level Offence Base Sanctions			
1st & 2nd Low-level Offence		3rd & Subsequent Low-Level Offence	
Base Sanction	Early Guilty Plea	Base Sanction	Early Guilty Plea
1 Match	Reprimand	2 Matches	1 Match

(ii) If applicable, a Controlling Body may impose base sanctions for Low-level Offences in accordance with the specific Low-level Offence sanctions table adopted by the relevant Controlling Body provided such table has been approved by the AFL.

- (iii) A reference to second, third and subsequent Low-level Offences is a reference to a second, third or subsequent Low-level Offence occurring at any time in the previous 12 months (as at the date of the current offence). The second, third or subsequent Low-level Offence need not be the same offence as the first or any other Low-level Offence. For the avoidance of doubt, a prior offence other than a Low-level Offence will not count as a first offence for the purposes of the above Table 5.
- (iv) In assessing a Low-level Offence, the Controlling Body may determine that the Low-level Offence sanction is inappropriate for the conduct in which case the Controlling Body may:
 - (A) impose a base sanction of a 2 Match suspension, with the relevant Person entitled to receive a 1 Match suspension on entering an Early Guilty Plea; or
 - (B) refer the Low-level Offence directly to the Tribunal.
- (v) If a Notice of Charge is referred directly to the Tribunal under Clause 5(b)(iv)(B) of this Appendix 1, or if a Tribunal determines under Section 25.4(b) to substitute a charge such that the Reportable Offence becomes a Low-level Offence, the Tribunal will determine the appropriate sanction in its absolute discretion.

6. Auditory Offences

(a) Which Reportable Offences are Auditory Offences

An Auditory Offence is a Reportable Offence specified in Table 7 below which may be graded by a Controlling Body in order to determine an appropriate base sanction for that Reportable Offence.

Table 7 – Auditory Offences

Using Abusive, Insulting or Obscene Language towards or in relation to an Umpire
Using Abusive, Insulting, Threatening or Obscene Language

(b) Grading Auditory Offences

- (i) Unless otherwise specified in this Policy Handbook, a Controlling Body must grade an Auditory Offence in accordance with Table 8 below.

Table 8 – Auditory Classification Table

Receiver	Conduct	Volume	Base Sanction	Early Guilty Plea
Umpire	Threatening	Any	6 or more Matches (Tribunal)*	5

	High-level	Loud	5	4
		Medium or Low	4	3
	Medium / Low-level	Loud	3	2
		Medium or Low	2	1
	Other Person	Threatening	Loud	4 or more Matches (Tribunal)*
			Medium or Low	3
		High-level	Loud	3
			Medium or Low	2
		Medium / Low-level	Loud	2
			Medium or Low	1
			Reprimand	

*Refer to Clauses [6\(b\)\(iv\)](#) and [6\(b\)\(v\)](#) of this Appendix 1 for treatment of offences graded as Threatening language directed at an Umpire and Threatening language directed at Another Person of Loud Volume.

- (ii) If applicable, a Controlling Body may grade an Auditory Offence in accordance with the specific classification table adopted by the relevant Controlling Body provided such table has been approved by the AFL.
- (iii) For a Controlling Body to arrive at a grading set out in Table 8, the Controlling Body must use the interpretation provisions set out in Clause [6\(c\)](#) of this Appendix 1 to assess whether:
 - (A) the Receiver of the Conduct is an Umpire or Another Person;
 - (B) the Conduct is Threatening, High-level Abusive, Obscene or Insulting or Medium / Low-level Abusive, Obscene or Insulting; and
 - (C) the Volume of the Conduct is Loud, Medium or Low.
- (iv) Subject to Clause [6\(b\)\(v\)](#) of this Appendix 1:
 - (A) in respect of a charge graded by the Controlling Body as Threatening language directed at an Umpire, that charge will be classified as Behaving in an Abusive, Insulting, Threatening or Obscene Manner Towards or in Relation to an Umpire, a Direct Tribunal Offence; and
 - (B) in respect of a charge graded by the Controlling Body as Threatening language directed at Another Person of Loud Volume, the Controlling Body may refer that charge directly to the Tribunal.
- (v) In respect of a charge under Clause [6\(b\)\(iv\)](#) of this Appendix 1, if only the minimum prescribed sanction (set out in Table 8 above) is sought, the Controlling Body will, at its discretion, specify that minimum prescribed sanction and the Player may enter an Early Guilty Plea and accept the sanction without the matter being referred directly to the Tribunal. If the Controlling Body does not specify that the minimum prescribed sanction is

sought, the charge will be referred to the Tribunal and the charged Player will not have the option to enter an Early Guilty Plea.

- (vi) A Controlling Body may increase the Auditory Offence Base Sanction by one additional Match if the Auditory Offence conduct relates to either of following:
 - (A) conduct by an Adult toward an underage Umpire; or
 - (B) conduct by an Accredited Coach toward an Umpire (regardless of whether that Accredited Coach was performing the role of Coach at the time).
- (vii) For the avoidance of doubt:
 - (A) if both conditions of Clause 6(b)(vi) are met, the Auditory Offence Base Sanction may only be increased by the Controlling Body by one Match;
 - (B) where the Controlling Body elects to increase the Auditory Offence Base Sanction under Clause 6(b)(vi), the correlating Early Guilty Plea suspension in Table 8, will also increase by one Match; and
 - (C) an underage Umpire is any Umpire under the age of 18 at the time of the offence.

(c) **Interpretative provisions of Auditory Offences**

- (i) Grading Conduct
 - (A) The Conduct of an Auditory Offence will be graded as:
 - (1) Threatening;
 - (2) High-level Abusive, Obscene or Insulting; or
 - (3) Medium / Low-level Abusive, Obscene or Insulting.
 - (B) Threatening language means language that conveys an intention to cause bodily harm or cause someone to feel vulnerable or at risk.
 - (C) High-level and Medium / Low-level Abusive, Obscene or Insulting language includes rude, shocking or offensive language which may abuse, insult or offend any person or group. In grading whether Abusive, Obscene or Insulting language is High-level or Medium / Low-level, the following factors will be considered:
 - (1) the nature of language;
 - (2) the tone of the language;
 - (3) the extent of aggression in the language;
 - (4) the actual or potential hurt caused by the language;
 - (5) the body language of the offending Person.

[Guidance note: See Section 22.2(c). Where any offence involves conduct that is considered to constitute vilification or discrimination, the offence is to be dealt with under Section 10.]

- (ii) Grading Receiver
 - (A) The Receiver will be graded as Umpire or Another Person.
 - (B) Umpire means a field, boundary, goal or emergency umpire who has been appointed to officiate in the relevant Match.
 - (C) Another Person means any person who is not an Umpire, regardless of whether that person is able to be identified or not.
- (iii) Grading Volume
 - (A) The Volume of an Auditory Offence will be graded as Loud, Medium or Low.
 - (B) Loud means the language could be heard from more than 50 metres away or heard by spectators.
 - (C) Medium means the language could be heard from more than 10 metres away, but less than 50 metres away, and/or heard by other Players and/or heard by Football Officials.
 - (D) Low means the language could be heard from no more than 10 metres away, and/or conversational language.

7. Other factors regarding sanctions

(a) Reduction in base sanction for an Early Guilty Plea

The base sanction for a Classifiable Offence or Auditory Offence will be decreased where a Person submits an Early Guilty Plea (if available). As per Table 2 or Table 8 (as applicable):

- (i) an Early Guilty Plea in respect of a Classifiable Offence or Auditory Offence with a fixed base sanction of a two, three or four Match suspension will result in a one Match reduction in that suspension; and
- (ii) an Early Guilty Plea in respect of a Classifiable Offence or Auditory Offence with a base sanction of a one Match suspension will result in a reprimand and/or fine (at the discretion of the Controlling Body).

(b) No automatic reduction for exemplary record

- (i) A Person will not receive an automatic reduced base sanction for their exemplary Disciplinary History.
- (ii) If a Classifiable Offence or Auditory Offence is contested or referred to the Tribunal, a Person with a verifiable exemplary Disciplinary History may argue that their Disciplinary History constitutes exceptional and compelling circumstances under Section 25.4(a)(iv)(A). This may make it inappropriate to apply the sanctions in Table 2 or Table 8 (as applicable) to the determined classification. In such circumstances, the Tribunal may determine to reduce the Base Sanction applicable to the offence by one Match.

- (iii) For the avoidance of doubt:
 - (A) verifiable means that it must be able to be proven to the Tribunal's reasonable satisfaction; and
 - (B) exemplary means it must be of such a high standard that it would serve as a model for others.

(c) **Reportable Offences in a Grand Final**

The Controlling Body or Tribunal (as applicable) may apply (at its absolute discretion) a loading of up to 100% in relation to the base sanction for any Reportable Offence committed during a Grand Final.

[Guidance note: For example, if the usual base sanction for an offence was 2 matches and the Controlling Body applied the full 100% loading, the base sanction would become 4 matches. An early guilty plea discount would then apply to the 4 match base sanction, i.e. 4 matches reduced to 3 matches if the plea is accepted]

(d) **Multiple Reportable Offences in a single Match**

Where a Person is found guilty of multiple Reportable Offences from a single match:

- (i) the sanctions applicable to each Reportable Offence are to be assessed individually under this Appendix 1; and
- (ii) the individual sanctions must then be added together to form the final sanction applicable to the Person.

8. Other factors regarding certain Reportable Offences

(a) **General**

- (i) The Laws of the Game sets out a non-exhaustive list of specific Reportable Offences in Law 22.2.2 as well as providing for various categories of permitted contact which will not constitute a Reportable Offence (for example, legally using a hip, shoulder, chest, arms or open arms, providing the football is no more than five metres away, and contact which is incidental to a marking contest where a Player is legitimately marking or spoiling or attempting to mark or spoil the football).
- (ii) The Laws of the Game define certain Reportable Offences, but provide that in interpreting/classifying Reportable Offences, words, terms or phrases which are not defined in the Laws of the Game will be given their ordinary meaning.
- (iii) This Clause [8](#) provides guidance in relation to the characteristics of particular Reportable Offences and other relevant factors.

(b) **Striking, Kicking**

- (i) Striking and kicking are interpreted in accordance with their ordinary meaning. A strike would usually be by hand, arm or elbow and would generally not apply to other contact using the body. A strike can also occur with an open hand. A kick is generally applied to contact by foot or leg.

- (ii) A strike or kick requires more than negligible impact to be a Classifiable Offence. A Controlling Body may, however, consider the potential to cause injury, or the potential to cause further or greater injury, to upgrade impact from negligible to a higher level of impact.
- (iii) Where a strike or kick does not have more than negligible impact, it is open to a Controlling Body to charge a Person with Striking or Kicking under Table 5 where it is satisfied that notwithstanding the result, the intention of the Person was to commit a Reportable Offence. Where no contact is made, a Controlling Body may charge a Person with an Attempt to Strike or Kick, which are both Low-level Offences.
- (iv) Under the Classifiable Offences, any Intentional strike or kick where non-negligible contact occurs to the victim player's body or head will usually be classified as Medium Impact at a minimum.

(c) Classification of certain strikes

The following factors will be considered when determining the classification of the Reportable Offence of Striking:

- (i) Intent: Notwithstanding any other part of this Policy Handbook, the fact that an act of striking occurred behind the play or off the ball or during a break in play or with a raised forearm or elbow is usually consistent with the strike being intentional. Further, where a Player intends to forcefully push or fend an opposition Player off the ball (including to gain separation for the purpose of contesting the ball) and the effect is that the Player commits the Reportable Offence of Striking, the strike will usually be graded as Intentional.
- (ii) Impact: Notwithstanding any other part of this Policy Handbook, any Careless or Intentional strike which is of an inherently dangerous kind and/or where there is a potential to cause an injury, or the potential to cause further or greater injury, (such as a strike with a raised elbow or forearm) will usually not be classified as Low Impact even though the extent of the actual physical impact may be low. Such strikes will usually be classified at a higher level commensurate with the nature and extent of the risk of injury involved. Strong consideration will also be given to the distance the incident occurs from the ball and the expectation of contact of the other Player.

(d) Misconduct

- (i) Misconduct has a wide meaning and generally is any conduct which would be reasonably regarded as unacceptable or unsportsmanlike or where it has the effect or potential to prejudice the reputation of any Person, Club or Controlling Body or to bring the game of Australian Football into disrepute.
- (ii) Acts of Serious Misconduct will be referred directly to the Tribunal.

[Guidance note: Generally, for conduct to constitute Serious Misconduct, the Controlling Body will consider that a sanction of at least 4 Matches is appropriate as a sanction for that conduct.]

- (iii) Any other act of Misconduct will be a Low-level Offence unless the Controlling Body determines that:

(A) the Low-level Offence sanction is inappropriate; and

(B) the act of Misconduct is not Serious Misconduct,

in which case the Controlling Body may impose a sanction of either a 2 Match or 3 Match suspension, with the relevant Person entitled to receive a 1 Match reduction in the sanction with an Early Guilty Plea (i.e. a 2 Match suspension reduced to a 1 Match suspension with an Early Guilty Plea).

(e) Forceful Front-On Contact

(i) Bumping or making contact that is at least Low Impact to an opponent from front-on when that opponent has their head over the ball is a Reportable Offence. Unless Intentional, such conduct will be deemed Careless except where:

(A) the Player was contesting the ball and it was reasonable for the Player to contest the ball in that way; or

(B) the contact was caused by circumstances outside the control of the Player which could not reasonably be foreseen,

in which case such conduct will not constitute a Reportable Offence.

(ii) Any Careless or Intentional Forceful Front-On Contact where High Contact has been made and that has the potential to cause injury, or the potential to cause further or greater injury, will usually be graded at a minimum as Medium Impact, even though the extent of the actual physical impact may be low.

(iii) A Player may bump another Player's body from side-on but any contact forward of side-on will be deemed to be front-on. A Player with their head down in anticipation of winning possession of the ball or after contesting the ball will be deemed to have their head over the ball for the purposes of this Clause 8(e) of this Appendix 1.

(f) Rough Conduct

Rough Conduct is interpreted widely and may be any contact which is unreasonable in the circumstances.

It is a Reportable Offence for a Person to intentionally or carelessly engage in Rough Conduct against another Person which is unreasonable in the circumstances. Without limiting the wide interpretation of Rough Conduct, regard will be had to the following recognised forms of Rough Conduct:

(i) Rough Conduct (High Bumps)

A Person will be guilty of Rough Conduct where in the bumping of another Person (whether reasonably or unreasonably) the Person causes contact that is at least Low Impact to be made with any part of their body to that Person's head, top of shoulders or neck. Unless Intentional, such conduct will be deemed to be Careless, except where:

(1) the Person was contesting the ball and it was reasonable for the Person to contest the ball in that way; or

(2) the contact to the other Person's head, top of shoulders or neck was caused by circumstances outside the control of the Person which could not be reasonably foreseen,

in which case such conduct will not constitute a Reportable Offence.

Any high bump which constitutes Rough Conduct that has the potential to cause injury, or the potential to cause further or greater injury, will usually be graded at a minimum as Medium Impact, even though the extent of the actual physical impact may be low.

The purpose of Clause 8(f)(i) of this Appendix 1 is to, as far as practicable, minimise the risk of head injuries to Persons and this purpose must be front of mind for all Persons and will guide the application of the Clause.

For the purposes of this Policy Handbook, head clashes that occur when a Person has elected to bump are circumstances that can reasonably be foreseen. Players will ordinarily be liable if they elect to bump if not contesting the ball.

(ii) Rough Conduct (Bumps to the Body)

(A) If Clause 8(f)(i) does not apply (for example, in the case of a bump to the body), a Person may still be guilty of Rough Conduct if the Person's conduct was unreasonable in the circumstances. In determining whether a bump was unreasonable in the circumstances the following factors will be considered (without limitation):

- (1) whether the degree of force applied by the Person bumping was excessive for the circumstances;
- (2) whether the Person being bumped was in a vulnerable position; and
- (3) whether the Person could reasonably expect the contact having regard to the Person's involvement in play or ability to influence the contest.

(B) Where a Person is charged with Rough Conduct for a bump to the body, the Contact may be graded as High/Groin/Chest where a Player is charged, and the bump involves contact to the chest (female only).

(iii) Rough Conduct (Dangerous Tackles)

The application of a tackle may be considered Rough Conduct where the tackle is unreasonable in the circumstances. In determining whether the application of a tackle constitutes a Reportable Offence and whether the tackle is Careless or Intentional, the following factors will be considered (without limitation):

- (A) whether the tackle consists of more than one action, regardless of whether the Person being tackled is in possession of the ball;
- (B) whether the tackle is of an inherently dangerous kind, such as a spear tackle or a tackle where a Player is lifted off the ground;

- (C) whether the Person being tackled is in a vulnerable position (for example, arm(s) pinned) with little opportunity to protect themselves;
- (D) whether the Person being tackled is slung, driven or rotated into the ground with excessive force (for example, a run down tackle where the tackled player is driven into the ground with excessive force or where the tackle consists of a player dropping their knees and using their full body weight to bring the tackled player to the ground with excessive force).

(iv) Rough Conduct (Contact Below the Knees)

Under the Laws of the Game, making contact with an opponent below the knees is prohibited. A Person who keeps their feet is vulnerable to serious injury from other Persons who lunge, dive or slide toward them and make contact below the knees. This Clause 8(f)(iv) aims to protect such Persons from the risk of foreseeable injury. A Person may be guilty of Rough Conduct if the Person makes contact below the knees of another Person and does so in a manner which is unreasonable in the circumstances. It is not a defence that the Person who made contact below the knees was contesting the ball or was first to the ball. The primary responsibility of Persons with respect to contact below the knees is to avoid the risk of foreseeable injury. In determining whether contact below the knees is unreasonable in the circumstances, the following factors will be considered:

- (A) the degree of momentum and/or force involved in the contact;
- (B) whether the Person causes contact below the knees by sliding with their foot, feet, knee or knees in front of them;
- (C) whether the other Person was in a position that was vulnerable to contact below the knees (for example, standing over the ball or approaching from the opposite direction); and
- (D) whether the Person making contact had any realistic alternative ways of approaching the contest or situation.

Where contact is not made below the knees of the other Person but to another part of that Person's body, a Person may still be guilty under the general definition of Rough Conduct for making unreasonable contact by sliding or dropping into another Person with their knees or feet first.

(v) Rough Conduct (Smothers)

Where a Player elects to leave the ground in an attempt to smother the football, any reasonably foreseeable high contact with an opponent that is at least Low Impact will be deemed to be Careless at a minimum, unless the Player has taken all reasonable steps to avoid that high contact and/or minimise the force of that high contact (for example, by adopting a body position that minimises the force of the high contact).

(vi) Rough Conduct (Pushing Opponent into Contest)

A Player may be found guilty of Rough Conduct where they forcefully push an opponent into another player, or players, from either team in circumstances that are unreasonable.

(g) Contact with an Umpire

(i) Intentional Contact with an Umpire

- (A) In considering whether contact with an umpire is intentional, regard may be had to whether the contact is aggressive, forceful, demonstrative and/or disrespectful. Where contact with an umpire is deemed intentional, the Person will be referred directly to the Tribunal. In determining the sanction for Intentional Contact with an Umpire, the Tribunal must have regard to the number of elements of the offence (aggressive, forceful, demonstrative and/or disrespectful) which are established.
- (B) A Player may also be charged with the offence of Intentional Contact with an Umpire by pushing or holding an opponent into an Umpire or their direct path.
- (C) Where contact with an umpire is forceful but only incidental (i.e. it is not otherwise aggressive, demonstrative or disrespectful), the Controlling Body has the discretion to not charge the Player with Intentional Contact with an Umpire (resulting in a direct referral to the Tribunal) and instead charge the Player with Careless Contact with an Umpire (but provided such Contact is not otherwise disrespectful, demonstrative or aggressive).

(ii) Unreasonable or Unnecessary Contact with an Umpire

Where contact with an Umpire is not aggressive, forceful, demonstrative or disrespectful but could otherwise be regarded as intentional, it will be classified as Unreasonable or Unnecessary Contact with an Umpire which is a Low-level Offence.

(iii) Careless Contact with an Umpire

A charge of Careless Contact with an Umpire is a Low-level Offence. In determining whether the contact was careless, the following factors will be considered:

- (A) whether contact occurs at a centre bounce or ball up;
- (B) whether the Person has set up behind the Umpire;
- (C) whether the Person has taken a path that intersects the Umpire's exit line from a stoppage;
- (D) the force of the contact;
- (E) whether the Umpire's decision making is impeded;
- (F) whether the Umpire goes to ground as a result of the contact;

(G) any mitigating factors (for example, effort to avoid contact, offline bounce or throw, pushed by opponent into Umpire's path).

A Player may also be charged with the offence of Careless Contact with an Umpire by pushing or holding another Person into an Umpire or their direct path.

(iv) For the avoidance of doubt, nothing in this Clause 8(g) intends to prevent a Tribunal from substituting a charge under Section 25.4(b).

(h) Umpire abuse

(i) Using Abusive, Insulting or Obscene Language Towards or in relation to an Umpire will be an Auditory Offence unless the Controlling Body determines that the conduct constitutes the Direct Tribunal Offence of Behaving in an Abusive, Insulting, Threatening or Obscene Manner Towards or in Relation to an Umpire.

(ii) Where a Person is reported for an Auditory Offence that is directed at, or in relation to, an Umpire, and responds with further abuse that is directed at, or in relation to, an Umpire, the Controlling Body or Tribunal, may increase the penalty for the Auditory Offence by one (1) additional match.

(i) Using Abusive, Insulting or Obscene Language

Using Abusive, Insulting or Obscene Language will be an Auditory Offence unless the Controlling Body determines that the conduct constitutes the Direct Tribunal Offence of Serious Misconduct.

(j) Melee

(i) Engaging in a Melee/Wrestle

A Melee/Wrestle is defined as an incident involving Persons who are grappling or otherwise struggling with one another, and which is likely to bring the game of Australian Football into disrepute or prejudice the interests or reputation of the Controlling Body. In determining if a Person's conduct constitutes Engaging in a Melee/Wrestle, the following factors will be considered:

(A) the duration the Person is involved in the Melee/Wrestle;

(B) the vigour applied by the Person;

(C) whether the Melee/Wrestle occurs at a break in play, particularly at quarter breaks and half time;

(D) whether the Person contributed to an escalation of the Melee/Wrestle; and

(E) the role of the Person (for example, Player or Football Official).

(ii) Instigator of a Melee/Wrestle

Where a Person's conduct results in retaliatory action which leads to a Melee/Wrestle, that Person's conduct may constitute a Reportable Offence

of Instigator of a Melee/Wrestle. The Reportable Offence of Instigator of Melee/Wrestle is separate to the Reportable Offence of Engaging in a Melee/Wrestle and a Person may be found guilty of both Reportable Offences.

(k) Staging

Staging includes excessive exaggeration of contact in an unsportsmanlike manner. In determining whether a Person's conduct constitutes the Reportable Offence of Staging, the following factors will be considered:

- (i) whether the conduct affected, or was likely to affect, the Umpire decision-making;
- (ii) whether the conduct incited a melee; and/or
- (iii) whether the conduct was in the spirit of the game.

(l) Tripping

- (i) Tripping is interpreted in accordance with its ordinary meaning. In determining whether a Person's conduct constitutes the Reportable Offence of Tripping, to the following factors will be considered:
 - (A) how fast the opponent was moving;
 - (B) whether the trip was by hand or by foot/leg; and
 - (C) whether contact was made with a swinging motion.
- (ii) To constitute a Classifiable Offence, Tripping requires more than negligible impact. Where a trip does not have more than negligible impact, it is still open to the Controlling Body or Tribunal to charge a Person with Tripping under Table 5 where it is satisfied that notwithstanding the result, a Reportable Offence was committed. Where no contact or minor contact is made, the Panel can charge a Person with an Attempt to Trip, which is a Low-level Offence.

(m) Charging

- (i) Charging is as defined in the Laws of the Game as the act of a Player colliding with an opposition Player where the amount of physical force used is unreasonable or unnecessary in the circumstances, irrespective of whether the Player is or is not in possession of the football or whether the Player is within five metres of the football.
- (ii) In determining whether a Player's conduct constitutes the Reportable Offence of Charging, including whether the amount of physical force used was unnecessary or unreasonable in the circumstances, the following factors will be considered (without limitation):
 - (A) whether the opposition Player being charged was in a vulnerable position;

- (B) whether the opposition Player being charged could reasonably expect the contact having regard to the Player's involvement in play or ability to influence the contest;
- (C) the degree of momentum and/or force involved in the contact.
